HARVARD LIBRARY
Committee Structure
As of May 2021

Standing Committees are continuing, high-level committees that focus on implementing Harvard Library strategic objectives.

Councils are continuing and address issues and opportunities across the spectrum of Library activities and are based on subject or function.

Working/Task Groups are time-limited and created by Standing Committees or Councils to investigate specific problems, undertake specific tasks and make recommendations to Standing Committees or Councils.

Advisory Groups are small teams who guide and make recommendations on strategic decisions for ongoing, functional work.

Discussion Groups are continuing, informal groups for conversations on topics of interest and sharing expertise across the Library community.
