FOR

1849:

ASTRONOMICALLY AND POLITICALLY CALCULATED FOR ALL THE STATES AND TERRITORIES OF THE UNION.

"We hold these truths to be self-evident, that all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, LIBERTY, and the pursuit of happiness; that to secure these rights, governments are instituted among men, deriving their just powers from the CONSENT of the governed," &c. — *Declaration of Congress, July 4, 1776.*

"We the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquillity, provide for the common defence, promote the general welfare, and secure the blessings of LIBERTY to ourselves and our posterity, do ordain and establish this Constitution for the United States of America." — *Constitution of the United States.*

"Therefore all things whatsoever ye would that men should do to you, do ye even so to them." — *Jesus Christ.*
